

My name is Raul Trejo and I have lived here in Lexington for twenty-eight years. I graduated from Lexington High School in 1998 and attended the University of Oklahoma receiving a Bachelor of Science in Health Sciences.

I have been married to my wife, Luz Maria for twelve years. We have three wonderful children that we love. I have two wonderful supportive parents that live here as well.

I am a teacher at Lexington Public Schools. I have been employed at the school since 2006. I have enjoyed my time as a student and teacher. I feel very blessed to be a part of a community and education system that has given me wings to be successful.

I have seen and been a part of the transformation of the City of Lexington as a citizen and I look forward to serving the citizens of Lexington, Oklahoma as a council member.

Respectfully,

Raul Trejo
